Hi Alison,

Per my phone call to you, you can just provide a new page 9 with the correct references in the application. This includes the corrections to the IMWs references for Tables P-3 and P-4. We would need an updated electronic copy of the revised application too.

In addition, I asked for the IMW Table (Table 2.5-1) from the draft APP. Although I said in my phone call with you that we have Table P-1 locational information for the Observation and Hydraulic Control Wells, I like the tables in the draft APP (Tables 2.5-2 and 2.5-3) better and would like a copy of these tables from you.

Let me know if you have any questions for me.

Thanks, Nancy

Hi Nancy,

I got your voicemail about Attachment P. Specifically, on page 9, we referred to several drawings (p-2 through P-6). You are correct. We did not include them and it was an oversight.

The figures are exactly the same as A-13 through A-17 in Attachment A-1. We were just going to re-number them and put in Attachment P.

I can fix this one of two ways:

1—provide you with a new Page 9 for Att P that refers to Figures A-13 through 17

OR

2—Provide you with P-2 through 6.

Let me know your preference.

Alison
